

# \$TAMPING for DOLLAR\$

September 2022

Stamping for Dollars is an occasional newsletter of the Indianapolis First Friends team who sell donated postage stamps to benefit Right Sharing of World Resources ([www.rswr.org](http://www.rswr.org)). RSWR is an independent Quaker organization partnering with groups of women in Kenya, India, and Sierra Leone for community transformation.

so the team could catch up logging in all the donor packages by Valentine's Day, 2022. Thanks to our team and several new volunteers, we made the goal. Our community of support includes Beth Henricks, assistant pastor and adviser, and David Beatty and Jim Donahue, co-clerks of Witness and Service at First Friends. We are grateful for the help of so many.

## Facebook

RSWR has stepped up our presence on Facebook. Look for recent posts about Ruthie Tippin, former pastor at First Friends, serving as a RSWR board member, and a photo of the hardworking stamp team. Caitlyn Churchill, Communications Director at Right Sharing of World Resources, would like to hear about you! Do you have an interesting story about stamp collectors or donors? Send your ideas to [cgchurchill@rswr.org](mailto:cgchurchill@rswr.org).
