Three RSWR representatives visited the stamp room at First Friends on Sunday morning October 27, 2019. Samson Ababu, Lotan Migaliza, and Sarah Northrop saw the operation up close and personal, met members of the sorting team, and asked good questions. The representatives had traveled to Indianapolis for an RSWR board meeting. They made presentations at First Friends and Plainfield Friends about RSWR work in Kenya. Samson gave a powerful message during First Friends worship. The Stamping for Dollars team learned more about RSWR's history and projects. It was a useful and fun visit.

Earnings

In fiscal year 2018-19 the stamp program earned a grand total of **\$2,327.09** for Right Sharing. In calendar 2019 we earned **\$2,415.69**. These totals include income from the Indianapolis Stamp Club auction as well as from our longtime regular customers.

Thank you, Genevieve Beck-Roe, Maggie Ellis, and Isabel Ringley, all of RSWR, for compiling these figures.

We are grateful to the family who donated a set of albums that recently sold for **\$2,200**. This single sale gives us an impressive start on 2020!
